**AWARD**

This is a reference under Section 10 (1), read with Section 12 (5) of the Industrial Disputes Act, 1947 made by the State Government of Orissa in their Labour & Employment Department memo No. 4913 (5), dated the 16th April 2002 for adjudication of the dispute mentioned below :

“Whether the action of the District Manager, Orissa State Civil Supplies Corporation Ltd., Kalahandi, Bhawanipatna, by refusing engagement to Shri K. C. Mahakud, Ex-Driver from the 18th August 2000 is legal and/or justified ? If not, to what relief the workman is entitled ?”

2. The present reference is received as to why the refusal of engagement of Driver in the Corporation, is legal and proper.

3. After receipt of the reference both parties have been noticed. The second party workman submitted affidavit evidence and he has been examined by the first party management. From his cross-examination and affidavit evidence it appears that, the second party workman has been engaged as a Driver from the 1st January 1993 but he was refused his engagement on the 18th August 2000 when the workman approached the management to be engaged after recovery from Malaria fever. It appears from the written statement of the management that the workman has been engaged as purely daily labour basis and after completion of work he was receiving wage.

4. It has been further stated that, on the 17th July 2000, the workman took the vehicle to Kalahandi D. M., O. S. C. S. C. office, left the vehicle there and remain absconded from the

18th July 2000. The management issued show cause vide letter No. 886, dated the 20th July 2000 to which the workman did not respond. The workman has also admitted in his cross-examination that he received the show cause notice handed over the vehicle, key of the vehicle along with other parts of the vehicle as per list to the Marketing Inspector. He has stated that he has not remembered from what date to what date he has suffered. He has admitted that he took the letter along with the bills to get those passed by M. V. I. as directed by the Accountant. He has stated that he has kept the letter and bill with him till today. No bill or letter was produced by the workman. This being the position it is crystal clear that though the workman has worked for one and half year has voluntarily landed the vehicle and key to the Management, did not respond to show cause notice and voluntarily left the job. It has been already stated that, the second party workman was appointed as purely temporary basis as daily wage basis. He has not worked continuously for 5 (five) years. His voluntary abandonment of job will not enable him to get any relief such as reinstatement or any wage whatsoever.

Hence ordered :

5. In the result the workman has voluntarily left the job as he is not entitled to any relief in the case and as such, the reference is answered against the second party workman.

Dictated and corrected by me.
